Game Cancellations/Forfeits/Reschedules: We are unable to reschedule games to accommodate conflicts with other sports or tournaments. If an unforeseen event occurs that prevents your team from attending a scheduled game, the following will apply: During peak season Oct 1-Apr 30: No reschedules. Please try to assemble a team. During non-peak season May 1-Sep 30: With 5 business days notice, we will contact the opponent to indicate your request for reschedule. If the opponent declines, a guest team will be invited to play in your place and a forfeit assigned to your standings. If accepted, the reschedule date will be at the discretion of SoccerCity/River's Edge and the opponent and must occur prior to the end of the current session. This game will be scheduled as field availability permits and may need to be played on a day that is not typically assigned to your league. Multiple forfeits may lead to expulsion from the league with no refund.

Payments: Full payment must be received at first game of session. (One check for total amount is appreciated.)

Team Rosters: Completed rosters are due prior to first game of session. Please see roster for additional information.

Umpire Fees: Teams are responsible for umpire fees of \$10 per team per game.
